GROUPS

Sharing the discoveries offered by travel enriches any trip—especially when the trip is a luxury cruise aboard the m/s *Paul Gauguin*. When your clients organize a Group for a cruise with Paul Gauguin Cruises, they'll qualify for 5% savings. That's *on top of* up to 25% Bonus savings off standard all-inclusive fares on all voyages.

Plus, all Groups earn a 1-for-9 Tour Conductor (TC) credit. You can keep the TC credit for yourself or pass the savings directly to your clients.

CRUISES

Group Savings

Standard Group savings are 5% off the cruise-only fare. Paul Gauguin Society savings of 5%-12% or more off final cruise fares also apply for past guests of Paul Gauguin Cruises. Group rates are guaranteed from the first booking up to the date of sailing. Third guest under 17 years of age sails free, guests 18 and older pays 30% of per person cruise fare.

Number of Groups

To ensure the success of filling Group allocations and earning Tour Conductor (TC) Credits, PGC suggests limiting Group promotions to one Group per quarter (excluding back-to-back cruises).

Tour Conductor Credits

The earned TC value is calculated based on the average net cruise-only fare (after air allowance, discounts, and commission). You may apply the credit value to a booking, or it may be kept as commission. Unless otherwise noted, Groups will earn credit after nine full-fare guests, meaning the value is applied to the tenth guest. Only the first two passengers apply to passenger counts; when charged 200%, singles count as two. The TC credit is in lieu of a free cruise or tour travel. Unless otherwise noted, a maximum of 2 TC credits may be earned per sailing.

Sample Calculation

20 Cruise-Only Guests at \$5,470 Per Person Double Occupancy	\$109,400
Less 10% Agency Commission (IATA or CLIA registered agents only)	-\$10,940
NET CRUISE-ONLY FARE	\$98,460
Divided by 20 guests = average net cruise-only fare per person:	\$4,923
1:9 Ratio with 20 passengers = 2 TC Credits earned	\$9,846

Stateroom Allocation

All staterooms sold are subject to availability at the time of booking. Allocation identified on the Group agreement is a projection of sales by the Group promoter. Space is guaranteed only by deposit. Certain stateroom categories may be ineligible for Group discounts. Allocation is based on double occupancy. Triples are capacity controlled and subject to availability in select staterooms. Stateroom assignment is provided at time of confirmation/deposit.

LAX-PPT Optional Air Package

The optional LAX-PPT air package is based on economy class service. Airline tickets must be issued in the traveler's name as it appears on his or her passport. Passports must be valid for 6 months beyond the final date of travel. PGC reserves the right to change air flights or complimentary hotel overnights. PGC also reserves the right to select the carrier, routing, departure airport, and class of service on air packages. Preliminary flight schedules will be available 120 days prior to departure. Final flight schedule will be included with final cruise documents. Airline seat assignments may be requested through Paul Gauguin Cruises, however, seats cannot be guaranteed and are subject to change under the terms of air carrier. Please contact Paul Gauguin Cruises to add Air Tahiti Nui frequent flyer numbers to air records as well as Global Entry Membership Numbers. At time of final payment, 90 days prior to sailing, all air records must be finalized with: traveler's name as it appears on his or her passport, date of birth, and gender. Our Air/Sea program requires that we issue airline tickets 75 days prior to the travel date. If PGC does not have this information at the time of final payment (90 days before departure), guests could be liable for obtaining their own flight arrangements and subsequently be responsible for the cost of their air travel.

Deposit, Final Payment, Cancellation

Standard policies apply as outlined in your Group agreement and following the timeline in the right-hand column of this page for the Group Promoter checklist.

Final Documents

Final cruise documents will be released 30 days prior to sailing if final payment has been received on all Group bookings and if the required guest information has been received on all bookings. For Groups outside the U.S. and Canada and for bookings made within 30 days of sailing, guests will only have the option of electronic documents. A \$15 per-booking processing fee will apply to requests for paper documents within 30 days of sailing. Additional fees may apply for express mail or requests for expedited early documents.

Rebating

Paul Gauguin Cruises is committed to maintaining the integrity of rates for its cruises. To ensure that rebating is not occurring, the company has implemented a formal policy.
