Please check with airlines for luggage restrictions. Travelers will be liable for charges for luggage that is in excess of the free allowance. CURRENCY AND CREDIT CARDS

CURRENCY EXCHANGE

Your currency can be exchanged at most banks and currency exchange bureaus in the cities on your tour.

LOCAL CURRENCY

In French Polynesia the local currency is CFP Franc (XPF is the currency code). For up-to-the-minute exchange rates, you can consult a bank or the web. U.S. Dollars are accepted for exchange at most ports-of-call, as are major credit cards (Mastercard® and Visa® are preferred). We recommend that you start with exchanging \$200 per person at the airport in Los Angeles or your first international destination.

CURRENCY ABOARD SHIP & CREDIT CARDS ACCEPTED

The U.S. Dollar is the standard currency aboard *The Gauguin*, and you may exchange dollars for small denominations of local currency at the reception desk. For your convenience at the time of embarkation, PGC will request a confidential registration of an accepted credit card. The night prior to your final disembarkation from the ship, a detailed statement of your shipboard charges for onboard services and products will be available. Charges must be paid in full by cash or accepted credit card (Visa®, Mastercard®, or American Express®). Personal/Travelers checks are not accepted onboard.

ATMS

Please note that most international ATMS use four-digit numeric pins. If your pin is longer than four digits, you should contact your financial institution for a new pin number. Also, if your pin is alphabetic, translate the letters into numbers before leaving the country. You should be aware that your bank may charge an international transaction fee. For ATM locations in foreign cities, check with your credit-card company or bank.

GRATUITIES & TIPPING GUIDELINES

All gratuities for onboard room stewards, bar staff and dining staff are included in your cruise fare. Gratuities for concessions, such as spa, are not included and may be optionally added at guests' discretion. If you feel strongly about expressing your gratitude to the crew, you can make a donation to the Crew Appreciation Fund at the Purser's Office. This money is used for crew parties and events. Tipping for services beyond those provided aboard ship are a personal matter and entirely at your discretion. Tipping is not customary in Tahiti; it is not necessary to leave tips in restaurants or tip cab drivers unless you wish to reward some truly exceptional service.

GETTING HERE

AIRLINE CHECK-IN

PGC recommends contacting the airline(s) directly at least 72 hours prior to departure to reconfirm your flight time. It is also highly recommended that guests check-in at least 2 hours prior to departure for domestic flights and 3 hours prior to departure for international flights.

EMBARKATION/DISEMBARKATION

EMBARKATION DAY

Luggage storage is not available at the pier. Embarkation begins at 3:00 pm. PGC cannot collect or store guest luggage prior to 3:00 pm. Passengers flying from Los Angeles in the afternoon with evening arrival in Papeete will transfer directly to the pier for embarkation. Restaurants on board the ship will be open for extended dining hours and room service will be available for guests arriving on late evening flights.

Please note that PGC will collect guests' passports upon embarkation when the itinerary leaves French Polynesian waters in order to facilitate immigration clearance at every port. This includes itineraries that visit the Cook Islands. Passports will be returned to guests prior to disembarkation. We suggest that guests make a photocopy of the picture page of their passport and retain it for identification while ashore.

BOARDING ID/KEY CARD

At embarkation, you will receive a boarding id/key card that you must take with you each time you go ashore. This card is proof that you are a guest of *The Gauguin*. Please be prepared to show this identification at the gangway each time you go ashore and return to the ship.

SHIP DISEMBARKATION AND DEPARTURE

Prior to the end of the cruise, disembarkation information will be provided on board, and color-coded baggage tags will be delivered to your stateroom. Please attach one tag to the handle of each of your bags. Pre-arranged transportation to the airport or hotel will be provided for guests participating in PGC's air and hotel programs. Please keep all valuables, electronics, and medications in your hand carried luggage.

If you have made your own flight arrangements or deviated your air schedule from the standard air program, you must make independent transfer arrangements. If you are planning an independent transfer from the ship, please keep in mind it could take up to two hours for the local authorities to clear the ship and allow guests to disembark if the ship has traveled outside French Polynesian waters. Disembarkation from the ship should be completed by 9:00 a.m.

STAYING CONNECTED AT SEA

INTERNET

Wi-Fi is complimentary in staterooms and common areas. Please note that connectivity at sea is much different from what you may be used to on land. On board, we rely on satellites to connect to the Internet. The distance a signal has to travel just to connect you to the Internet is almost 50,000 miles, and that takes time. That's why a typical broadband connection at home is roughly 20-40 times faster than what we can get on board our vessel. In addition, this connection to the ship is shared with everyone on board. The number of people using the connection at any given time will have an impact on the speed of the connection as well. So we ask that you understand that your Internet experience on board will be different from what you are used to on land.

MOBILE PHONE CONNECTIONS AT SEA

The ship is equipped with an advanced cellular network on board. This network allows you to make, as well as receive, calls and texts on your personal mobile phone. Mobile phone charges are billed to you by your cellular provider. It is your responsibility to check with your provider for information on international roaming charges. Please note that staff does not have access to your service information.

We ask that you be courteous to other guests and use good etiquette while on your phone in public areas.
