

# COOK ISLANDS & SOCIETY ISLANDS

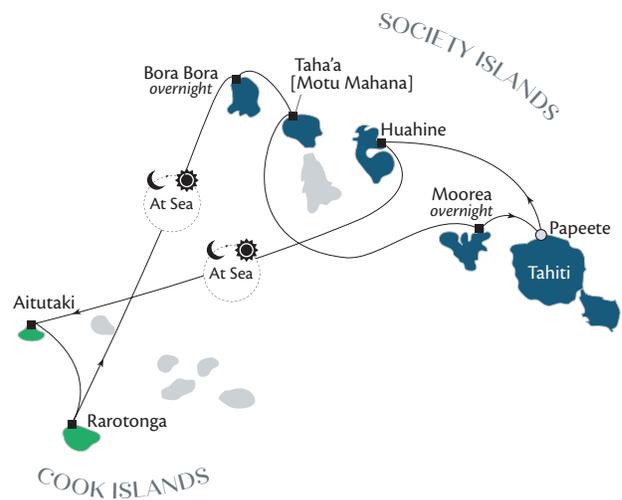

Dotting a vast expanse of Pacific blue are the gem-like, frangipani-scented Cook Islands, a lovely, low-key archipelago where life falls in step with the rhythm of nature and no building is taller than a palm tree.

The Aitutaki lagoon is a snorkeler's dream, boasting stunning coral reefs teeming with colorful marine life, and Rarotonga's lush rainforests invite revealing inland safaris. Add to that the enchanting charms of Society Island treasures like Bora Bora and Moorea, and you've found paradise.
