DESTINATION EXPERT

A wide-angle photograph of a tropical beach. In the foreground, a wide expanse of white sand is dotted with several people in swimwear, some standing and some lying on towels. To the left, a single palm tree stands near the water's edge. The water is a vibrant turquoise color, transitioning to a deeper blue further out. In the background, a large, rugged mountain with a flat top rises from the sea. The sky is a clear, bright blue with scattered white clouds.

OUR SIGNATURE CRUISE ITINERARY

Tahiti & the Society Islands

The 118 islands and atolls (ring-shaped coral reefs) of French Polynesia shimmer like a string of prized Tahitian pearls scattered across a cerulean sea. At the heart of every itinerary lay Tahiti and the Society Islands, the fabled archipelago that has inspired generations of artists and writers seeking to capture their magical allure. Among countless others, Herman Melville, James A. Michener, Henri Matisse—and, of course, Paul Gauguin himself—were transfixed by these islands, and your clients will be too. Our signature 7-night itineraries visit Tahiti, Huahine, Motu Mahana (our private islet in the Taha'a lagoon), Bora Bora, and Moorea.

ITINERARY HIGHLIGHTS

- Overnights in Bora Bora, Moorea, and Papeete, renowned for their lagoons and iconic mountain peaks
- The lush rainforest and archaeological treasures of Huahine, known as "The Garden Island"
- An exclusive day at Motu Mahana, featuring an authentic Polynesian barbecue, entertainment, and a floating bar

Building on our core destinations in the Society Islands are our longer voyages of 10, 11, and 14 nights that incorporate discovery of the Tuamotus, Cook Islands, Marquesas, and beyond. To explore the South Pacific is to be forever changed by her beauty, and our rich collection of itineraries reveals the treasures found here with artful authenticity.
